

Food: Waste Less and Enjoy – It's Good for All of Us!

CELEBRATING **10** YEARS

What is Food: Waste Less and Enjoy – It's Good for All of Us?

This Play helps students understand how to waste less and what can be done with wasted food. This is an opportunity for students to serve as leaders in the classroom and community to promote health and well-being. This Play also highlights the resources that go into getting food onto our plates, all while making a positive difference in the lives of people, animals and the environment. Here are some suggested packages for how to use funds:

Cafeteria Canvas Package

COST: \$3000 includes shipping

PURPOSE: This funding will be used to select artwork to add to your cafeteria to enhance the mealtime setting and encourage the consumption of healthy foods and physical activity.

Added Bonus! Receive a FREE set of farm, dairy and NFL player posters for selecting this play.
